MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Personnel Problems Suggested for Consideration at DCI Staff Meetings

1. Attached hereto is an initial list of personnel problems which the Office of Training believes are of sufficient importance to merit discussion at the DCI Staff Meeting.

2. Though you may not wish to raise these matters at the DCI Staff Meeting, which seems to me to be an ill chosen forum for such a purpose, I suggest they merit your consideration.

3. These problems are merely identified with suggestions as to possible ways and means of resolving them. In the event that you would like to see these problems treated in more detail, the Office of Training will undertake to work up staff studies on those which you may select for that purpose.

MATTHEW BAIRD
Director of Training
